Karrie,

Only three Region 3 sites are included in the spreadsheet which appears to include **state-led** PFAS efforts only. I did not see any changes or updates needed for those three sites. There is no mention of Chemours Washington Works, Parkersburg, the Naval Air Warfare Center, Warminster, or the NASJRB in Horsham.

Hi Roger,

Here's a copy of the spreadsheet we just talked about. If you have any updates, please share them (by 11:00 if possible) and I'll upload them to the HQ Sharepoint site before noon.

Thanks!
Karrie
